ELITE DAY CAMPS

for **Travel Players/High School Players**

The Ice House Elite Day Camps will consist of intense training for the highly motivated hockey player who is currently rostered on a travel or high school team. Players will be divided each week into two camps with separate ice schedules. The groupings will be based on the player's age and ability. Each group will be limited to only 24 players. Our Elite Camp is recommended for players 9-17 years of age. Team information portion of the application must be completed.

- Elite Camps Times: 9:00 AM-5:00 PM
- 4 Hours On-Ice Per Day
- Daily Lectures relevant to each camps theme

HIGH SCHOOL DEVELOPMENT CAMP

JULY 17-21

Lead Instructors – Dan May & Glenn Carlough

This camp will provide a rare opportunity for students entering 6th, 7th or 8th grade in September, who hope to play competitive high school hockey in the future. Players will participate in fast paced high school level practices with some of the area's most successful high school coaches. The camp will consist of two skill sessions in the morning, followed by two scrimmages in the afternoon.

ELITE OVER-SPEED SCRIMMAGE CAMP

JULY 24-28 or AUG 14-18

Lead Instructors – Glenn Carlough & Tom Preville

Affords a tremendous opportunity to learn from the game. Players will be challenged to execute varying game plans in daily scrimmages in order to gain an increased understanding of systems and team concepts. The over-speed format eliminates face-offs which promote rapid line changes, readiness off the bench, game conditioning, and opportunities for the coaching staff to stop the game when a teachable moment arises. These scrimmages will provide a unique learning experience by allowing for the kind of instant feedback that is impossible to achieve during league play.

ELITE STICKHANDLING & SCORING CAMP

JULY 31-AUG 4 or AUG 21-25

Lead Instructors – Glenn Carlough & JJ Picinic

Provides a situation in which the players have a puck on their stick for nearly the entire session. The stickhandling curriculum will focus on performing difficult maneuvers at game speed, softening and quickening of the hands, and increased confidence in limited space. During the scoring portion of each session players will learn appropriate shot selection, shooting in stride, dual purpose shooting, shooting against the grain, attack zone entry options, and developing the mind set of a goal scorer.

ELITE DEFENSEMEN CAMP

AUG 7-11

Lead Instructors – Tom Preville

Is a forum in which defensemen can be trained without having to cater to the needs of forwards and goaltenders, as is often the case in a regular season practice. Essential concepts such as, gap control, angling, stick position, body position, partner play, verbal and non-verbal communication will be addressed. Of course integral skating skills particular to defensemen, such as efficient pivots, powerful strides, transitions, and escape moves will be taught.
